**ARTHUR J. ROGERS & CO. ANNOUNCES SIX NEW LEASES  
AT ROGERS BUSINESS PARKE - ELGIN**

(Des Plaines, IL) – Arthur J. Rogers & Co., a partner in The CORE Network, is pleased to announce that Chris Zannis, associate, recently completed six new leases at Rogers Business Parke located at Technology and Vantage Drives in Elgin, Illinois.

In the first transaction Linear Industries, Inc., responsible for the assembly and distribution of broadcast equipment, has expanded their lease at the Parke by 5,300 square feet of office and industrial flex space. The company previously leased 1,690 square feet in late 2006, after relocating from Geneva, Illinois. The company chose Rogers Business Parke for its proximity to Interstate 90, the quality of the facility and its on-site management. Zannis of Arthur J. Rogers & Co. represented ownership in the lease transaction. Linear Industries was self-represented in the negotiations.

Antenova Limited has also chosen Rogers Business Parke-Elgin for its new location and is relocating and expanding from Cambridge, England. The firm, a research and development company for cellular antennas signed a 3,900 square foot industrial lease within 2541 Technology Drive and cited the location and the availability of a technologically ready suite as its reason for selecting the Parke. Zannis of Arthur J. Rogers & Co. represented ownership in the lease negotiations. Antenova Limited was represented by Linda Myren of Baird & Warner.

A specialty packaging firm, Shamrock Specialty Products has leased 2,900 square feet of office space within 2521 Technology Drive in the Parke. The firm selected Rogers Business Parke-Elgin based on its proximity to Interstate 90. Zannis represented ownership in the transaction. Shamrock Specialty Products was self-represented.

Tech Imports & Solutions, Inc. also completed a new lease at Rogers Business Parke-Elgin. The electronics assembly company leased 5,300 square feet of industrial space within 2521 Technology Drive. Tech Imports & Solutions selected the facility based on its convenient location and the quality of the facilities. Kathy Rogers, partner of Arthur J. Rogers & Co. and Chris Zannis, associate of the firm represented ownership in the lease transaction. Tech Imports & Solutions was self-represented.

Finally, Aquakleen Products, Inc., a water refinement systems company, leased 2,500 square feet of industrial and office flex space at the Parke, and NW Consulting Engineers LLC, an engineering firm, leased 1,690 square feet of office space. Aquakleen will be located within 2531 Technology Drive and NW Consulting Engineers in 2511 Technology Drive. Both firms selected Rogers Business Parke-Elgin for its location and amenities. Zannis represented ownership in the lease transactions and both Aquakleen and NW Consulting Engineers were self-represented.

Situated within Northwest Corporate Park at Technology and Vantage Drives, Rogers Business Parke-Elgin is a development consisting of four buildings totaling 232,000 square feet. The facilities offer both 100 percent office suites and mixed-use office/warehouse space, with units ranging from 2,000 to 58,000 square feet.

Arthur J. Rogers & Co. is a partner of The CORE Network. As a full service firm, the company is active in brokerage, property/facility management, and construction on a local, regional and national level.
